REMARKS

Claims 12-36 will be pending upon entry of the present amendment. Claims 1-11 are canceled. Claims 12 and 14 are amended. Claims 27-36 are new. No new matter is presented.

In response to the Restriction Requirement dated November 16, 2004, the applicants have elected Group II, claims 12-26, for examination at this time. New claims 27-36, like elected claim 12, are directed to a memory cell array. Thus, the applicants request examination of new claims 27-36 with elected claims 12-26.

Consideration of the elected claims is now requested.

Respectfully submitted,
Seed Intellectual Property Law Group PLLC
